

Accommodation List – Three Choirs Festival, Gloucester 6th August 2010 to 15th August 2010

Notes.

The list includes various types of accommodation. These are bed and breakfast in private homes where the host does not normally provide accommodation indicated by “B&B” in the list, bed and breakfast accommodation and hotel accommodation from hosts who usually offer such accommodation indicated by “Prof B&B” in the list, and accommodation normally occupied by students at colleges. There are also some self catering properties to let on a holiday let basis and camping on the King’s School field. We emphasise that the Festival does not run an accommodation agency and therefore we do not comment on any of the accommodation in the list, we do not inspect the accommodation and we do not match any visitors to the providers of the accommodation. Although we have done our best, we cannot guarantee the accuracy of any of the details in the list. Any arrangements made between the accommodation provider and the visitor is a private matter between the two parties. It is advisable to check with the accommodation provider at the time of booking that the details on the list are accurate and that any special requirements you may have can be met.

If you are reliant on your host providing transport to the venue, you are advised to make that arrangement at the time of booking the accommodation. The cost of transport is not included in the room fee. Please note that not all concerts take place in the Cathedral.

During the Festival there is considerable pressure on the available accommodation in Gloucestershire especially in the City itself and you are advised to make arrangements as soon as possible.

This is a Word document. The addresses are listed alphabetically. However, you may change the order of the entries, depending on your priority. The way to do this is to highlight the table and then click on the “Table” button on the tool bar and then click “Sort”. You will see that the button headed “Sort by” gives you the option of sorting by each of the column headings and then in the “Type” menu you have three options - text, number, or date. Date is irrelevant but if you are wishing to see which address is the closest to the Cathedral, for example, then if you press “number” and the “Ascending” button, the table will re-sort in accordance with distance from the Cathedral. The same applies with the cost column. If you wish to find out which is the closest and cheapest address, once you have selected your preference, which might be distance, you can then select the relevant buttons for cost. Don’t forget to press the “Header Row” button at the bottom of the screen before you then press “OK”.

In addition to the list which we hold, there are various web sites which hold lists of accommodation which you may wish to contact. These are:-
the Gloucestershire Portal at www.visit-gloucestershire.co.uk and in addition
www.visitcotswoldsandsevernvalle.gov.uk
www.visitforestofdean.co.uk and
www.visitgloucester.info

If you wish to have a copy of this list and Tourist information sent by post, please send us an A4 size self addressed envelope with postage stamps to the value of 90p affixed.

We hope that you will enjoy this year’s Festival which has a very exciting programme and that you will have a pleasant visit in our beautiful and ancient city.

Gloucester Festival Three Choirs Office,
7c College Green,
Gloucester,
GL1 2LX.

E-mail for accommodation is accom.gloucester@3choirs.org
